Note: We will have a trailer available at the Farm Show Complex to load all carcass class bison on and make one delivery if you desire, or you can deliver direct to Smuckers. The trailer will leave the Complex about NOON in order to make the 1 PM delivery appointment. You will need to be at the Farm Show Complex in time to have your bison loaded on this trailer.

Carcass animals must be loaded in the back compartment of your trailer to facilitate unloading to get to the slaughter house on time. Withdrawal schedules for worming and treatments must be strictly adhered to, for carcass animals.
